P. O. Box 1619

Salt Lake City 10, Utah

SPECIAL TERMS FOR NURSERY STOCK

Prices are F.O.B. Salt Lake City, Utah. This list cancels all previous lists. Prices are based on current market conditions and are subject to change without notice.

2% discount will be allowed for payment before the 10th of the month following date of shipment. 2% discount will be allowed for cash in full with order.

All accounts are due by the 10th of the month following date of shipment. Orders for shipment C.O.D. must be accompanied by a remittance of one-fourth of the amount to insure acceptance.

Roses, Shrubs, Vines and Fruit Trees are graded and bundled in tens. Please order in multiples of **ten** of each variety and size.

Boxing and bundling for shipment will be charged at actual cost of materials used in the operation. No charge will be made for loading bulk truck lots. The Porter-Walton Company warrants to the extent of the purchase price that nursery stock sold is true to name and as described within recognized tolerances. Seller gives no other or further warranty, express or implied and will under no circumstances be liable for more than the invoice value at the time of purchase.

We will gladly correct any errors, but we cannot entertain any claims that are not made within 10 days after receipt of the stock. Claims should be made promptly in writing upon receipt of stock.

In case of loss due to damage or delay in transit, your claims should be made to the transportation company.

Although prices are quoted F.O.B. our Salt Lake City warehouse, we will be able to make deliveries with our own truck within the Salt Lake City area.

There Is a Pot or Band for Every Grower's or Shipper's Need in the

BIRD PLANT POTS

Most nursery plant growing operations feel the need for continued modernization and cost cutting. This diversified line of Bird Pots and Bands offers opportunities for savings in nearly every phase of plant handling.

VITA-M POTS — You can save time, work, storage space and money by growing in the new semi-permanent Vita-M Pots. Their comparatively light weight (40 pounds for 1,000 of the 4 inch pots) means greatly reduced labor of handling the pots or moving plants. Storage space is also materially reduced.

LAWN SEEDS with TRI-KOT

Gives better stands — Stimulates quicker growth

Only Porter-Walton's packaged lawn seeds offer the extra advantages insured by the exclusive TRI-KOT seed treatment. TRI-KOT produces healthier more uniform stands, even from mid-summer plantings. Quicker germination and faster early growth are other valuable extras.

TRI-KOT makes satisfied customers. Satisfied customers advertise your business.

VELVET LAWN MIXTURE

Registered Trade Name

VELVET LAWN gives you one lawn seed mixture that meets every growing condition in the average yard. It thrives in full sun or shade—on almost every type of fertile soil and endures the play and party traffic of the outdoor living room.

For uniform fine texture and lush green color, with permanent "front lawn" beauty throughout the entire yard, there is no better lawn mixture made. The dense, springy garden carpet underfoot invites both play and relaxation.

Blended from high quality Kentucky Blue Grass, Creeping Red Fescue and White Dutch Clover, Velvet Lawn is the most versatile, fine quality lawn for the home yard. Velvet Lawn stays green from early spring to late fall. Exclusive **TRI-KOT** seed treatment insures a better stand and faster early growth.

MERION Kentucky BLUE GRASS "Magic Carpet Lawn"

Registered Trade Name

Pure Merion Blue Grass lawns have won the admiration of proud home owners and neighbors. Each year since its introduction, the demand for pure, TRI-KOT treated MERION lawn grass has increased. Rich deeper green color and finer texture set this new variety apart as a superior grass for home lawns. A neat carpet-like appearance is more easily achieved with Merion because it thrives under mowing as close as one-half to three-quarters of an inch high. Somewhat slower growth and lower water requirement make Merion Blue lawns easy to care for—less mowing—less watering. It must, however, be fertilized frequently during the early development period. Exclusive TRI-KOT seed treatment protects seeds from insect and fungus damage, stimulates quicker germination and faster early growth.

GREEN CARPET

Registered Trade Name

Hardy, dependable Green Carpet Lawn Mixture produces a very durable sod that is ideal for carpeting the outdoor living room or play area. Perfectly adapted to Intermountain soils and climate, Green Carpet combines both economy and rugged dependability to give you an excellent all-purpose lawn.

PRO-LAWN

Here is extra profit for professional lawn planters. This economy priced blend of fine textured grasses (Kentucky Blue Grass and Creeping Red Fescue) will thrive in shade or sun and on most western soils.

Containing only five percent of White Dutch Clover **PRO-LAWN** blend avoids harmful effects of over planting clover. TRI-KOT treated for better stands and healthier growth.
